

*B*occaccio's famous work, Decameron,  
consisted of 100 sensuous tales,  
told over a period of ten hot and steamy days,  
by a party of seven young ladies  
and three young men.

Travelling from Florence,  
the countryside was their playground,  
a sense of adventure and imagination  
their guide on the way to equanimity and  
fulfilment, and the vineyards their  
nourishment, as they indulged in the  
succulent grapes; always keeping in mind the  
higher purpose it was intended for.

## **HOT ANTIPASTI**

### **MUSHROOM AL FORNO**

oven baked with garlic butter & a white sauce

R 54.00

### **MUSSEL MARINARA**

tomato, garlic, wine & herbs
